

Open D tuning

In Open D, the open strings sound a D major chord:

String	Standard	Open D	Alteration
6	E	D	Down tone
5	A	A	Same
4	D	D	Same
3	G	F#	Down semitone
2	B	A	Down tone
1	E	D	Down tone

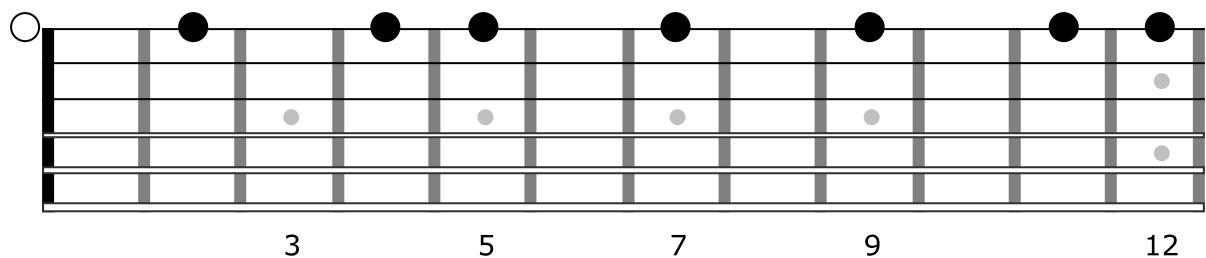

I, IV, V

In Open D tuning, we can form the I, IV and V chords with a barre across all strings. This has advantages for slide playing in particular, but also regular guitar playing.

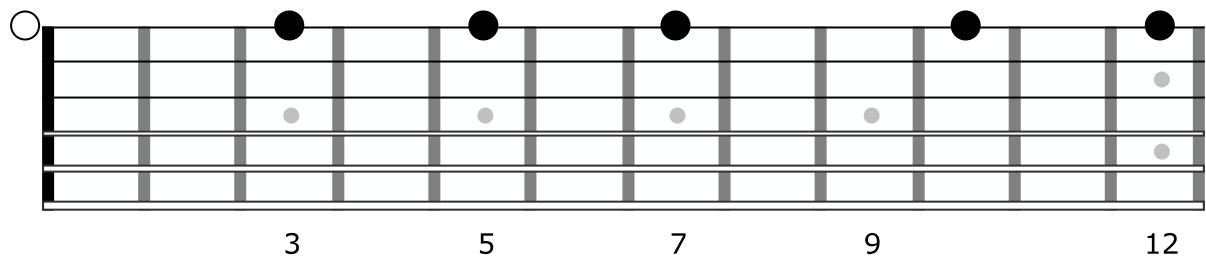

Check out Joni Mitchell's "Big Yellow Taxi" for a great example of a song that uses this. (Joni Mitchell is renowned for her use of open tunings!)

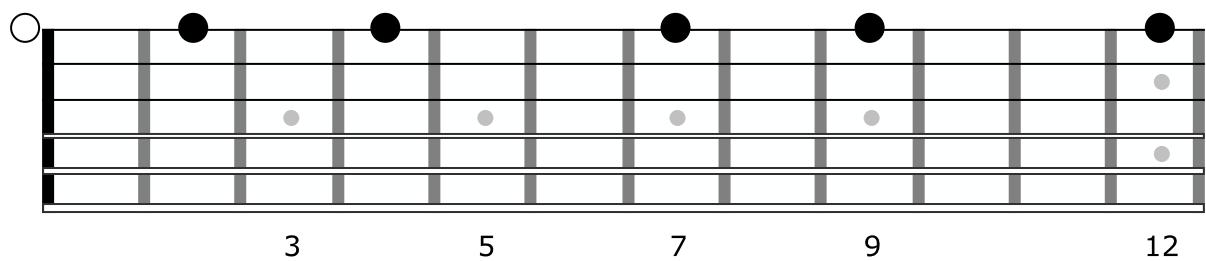

D major scale

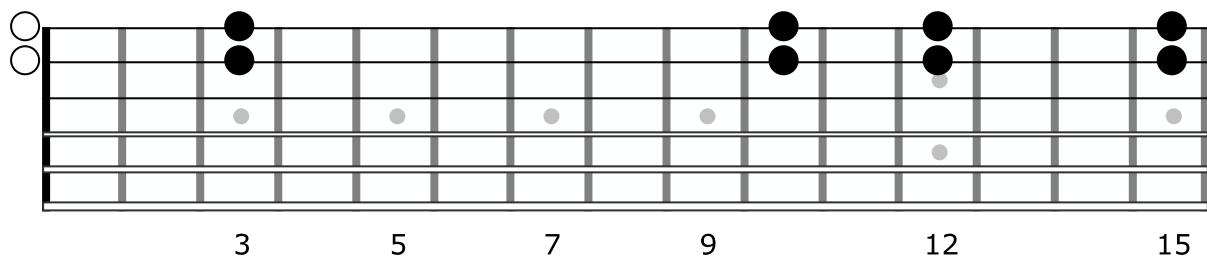

D minor pentatonic

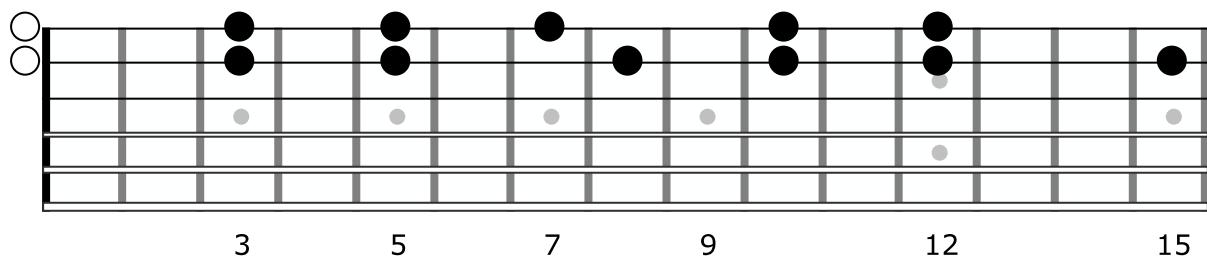

D major pentatonic

These shapes from Em pentatonic (standard tuning) are now Dm pentatonic :-)

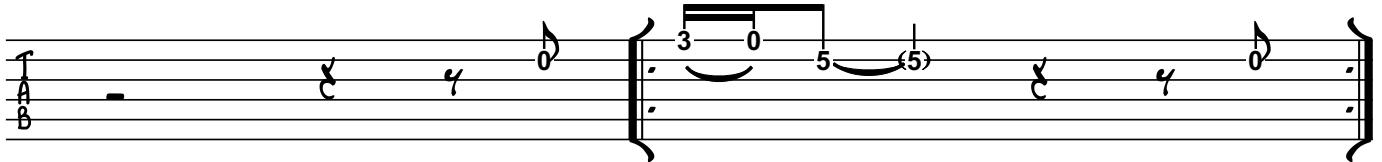

Here's Dm pentatonic on strings 1&2 (looks like Em pentatonic in standard)

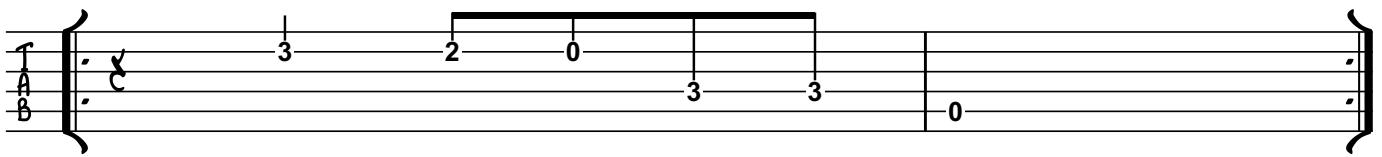

Open D tuning: 1-string scales
(plus 2-string pentatonic)
